Many Thanks

When I reflect on the last few months, this verse from Philippians 1:3 comes to mind: "I thank God every time I remember you". There have been so many challenges that as a principal, as teachers, as humans, I never anticipated living or leading through. However, SJDLS remains strong and vibrant, due to our teacher/staff dedication, the hard work of students, the sacrifice of parents, and the community support we receive. I know the last week of Remote Learning and 2 weeks of PreK/K quarantine was not easy for families, but you adjusted beautifully. I thank God for all of you, and the many things you do every day, to make sure we stay safe: growing in faith and knowledge.
